## Profile

I've been described as a steadfast team leader, motivating others with inventive ways to solve problems. My music and military experiences taught me the value of being a good team member and a respected manager, helping organizations to achieve their goals.

## Technical Skills

HTML, CSS, Javascript, JQuery, AngularJS, Ruby on Rails, Node.js, MongoDB, Express, SQL. Also learning React, SASS, and more.

## Professional Experience

### **STAFF SERGEANT, UNITED STATES MARINE CORPS; WASHINGTON, DC**

**2001-2016**

Performed musical duties as a member of "The Commandant's Own," U.S. Marine Drum & Bugle Corps, in support of military ceremonies, official functions, community relations, Marine Corps recruiting, and "Esprit de Corps". Served additional duties such as:

- Section Head - Managed up to 40 personnel in work-related tasks and personal issues
- Section Leader - Directed and instructed up to 10 section personnel in time-based tasks and mentored junior personnel to encourage their success
- Audio Recording Engineer - Recorded rehearsals and performances using multi-channel equipment, edited and cataloged recordings, and distributed compilations to unit leadership.

## Education

### **GENERAL ASSEMBLY, WASHINGTON, DC – WEB DEVELOPMENT IMMERSIVE**

**2016**

Trained in multiple Web technologies and languages, including HTML, CSS, Ruby on Rails, MEAN stack, and others. Used database management tools such as ActiveRecord and Postgres. Collaborated with classmates and instructors through Github, using Git locally and remotely for version control and management of complex apps containing multiple files.

### **UNIVERSITY OF NEBRASKA AT KEARNEY, KEARNEY, NE – B.A. MUSIC**

**2000**

Performed in multiple ensembles, including marching band, jazz band, wind ensemble, brass quintet, and as a soloist. Worked as a section leader and as a drill writer for the marching band. Volunteered to assist with open house nights at the campus astronomy observatory.
