<https://lelandjordon.github.io/index.html>

## Profile

I've been described as a steadfast team leader, motivating others with inventive ways to solve problems. My music and military experiences taught me the value of being a good team member and a respected manager, helping organizations to achieve their goals.

## Technical Skills

HTML/CSS, JavaScript, JQuery, AngularJS, Ruby on Rails, MEAN stack, Node.js, MongoDB, Express, SQL, Git, Photoshop, Microsoft and Apple office software.

## Projects

<http://lelandjordon.github.io/pet-seeker/> – My final class project, combining an AngularJS front-end app with a custom Rails API as a fictional animal shelter website.

<http://angelhack.com/2016/06/02/code4impact-911beacon/> – Awarded the Code 4 Impact award at AngelHack DC 2016, this ongoing project would use a mobile app to send data to local emergency response centers.

## Professional Experience

### **STAFF SERGEANT, UNITED STATES MARINE CORPS; WASHINGTON, DC**

**2001-2016**

Performed musical duties as a member of "The Commandant's Own," U.S. Marine Drum & Bugle Corps. Served additional management and technical roles such as:

- Section Head - Managed up to 40 personnel in work-related tasks and personal issues
- Section Leader - Directed and instructed up to 10 section personnel in time-based tasks and mentored junior personnel to encourage their success
- Audio Recording Engineer - Recorded rehearsals and performances using multi-channel equipment, edited and cataloged recordings, and distributed compilations to unit leadership.

## Education

### **GENERAL ASSEMBLY, WASHINGTON, DC – WEB DEVELOPMENT IMMERSIVE**

**2016**

Trained in Full-Stack Web technologies, including HTML, CSS, JavaScript, Ruby on Rails, MEAN stack, and many others. Collaborated with classmates and instructors through Github, using Git locally and remotely for version control.

### **UNIVERSITY OF NEBRASKA AT KEARNEY, KEARNEY, NE – B.A. MUSIC**

**2000**

Performed in multiple ensembles and worked as a section leader and as a drill writer for the marching band. Volunteered to assist with open house nights at the campus astronomy observatory.
