Leland Jordon

Web Developer - USMC - B.A. - TS Clearance

202-425-7694   lelandjordon@mac.com   Washington, DC

https://www.linkedin.com/in/lelandjordon   https://lelandjordon.github.io/index.html

Profile

I've been described as a steadfast team leader, motivating others with inventive ways to solve problems. My music and military experiences taught me the value of being a good team member and a respected manager, helping organizations to achieve their goals.

Technical Skills/Certifications

HTML/CSS, JavaScript, JQuery, AngularJS, Ruby on Rails, MEAN stack, Node.js, MongoDB, Express, SQL, Git, Subversion, Sitecore CMS, Microsoft and Apple office software, Top Secret clearance (Apr 2018), Security+ (Aug 2018)

Projects

http://lelandjordon.github.io/pet-seeker/ – My final class project, combining an AngularJS front-end app with a custom Rails API as a fictional animal shelter website.

https://blog.angelhack.com/2016/06/02/code4impact-911beacon – Awarded the Code 4 Impact award at AngelHack DC 2016, this project would have used a mobile app to send data to local emergency response centers.

Professional Experience

JR DEVELOPER, APP ENGINEER, NOVA CORPORATION, DISA; FORT MEADE, MD   2016-PRESENT
Developing in-house Web application to assist in ATO management and managing Sitecore CMS for public-facing website.

STAFF SERGEANT, UNITED STATES MARINE CORPS; WASHINGTON, DC   2001-2016
Performed musical duties as a member of "The Commandant's Own," U.S. Marine Drum & Bugle Corps. Served additional management and technical roles such as:

- Section Head - Managed up to 40 personnel in work-related tasks and personal issues
- Section Leader - Directed and instructed up to 10 section personnel in time-based tasks and mentored junior personnel to encourage their success

Education

GENERAL ASSEMBLY, WASHINGTON, DC – WEB DEVELOPMENT IMMERSIVE   2016
Trained in Full-Stack Web technologies, including HTML, CSS, JavaScript, Ruby on Rails, MEAN stack, and many others. Collaborated with classmates and instructors through Github, using Git locally and remotely for version control.

UNIVERSITY OF NEBRASKA AT KEARNEY, KEARNEY, NE – B.A. MUSIC   2000
Performed in multiple ensembles and worked as a section leader and as a drill writer for the marching band. Volunteered to assist with open house nights at the campus astronomy observatory.
